Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Saturday 03 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers into the evening, drier overnight.

This Evening and Tonight:
Any lingering showers ease for most into the evening, leaving some late spells of sunshine. Largely dry overnight with clear spells but with the odd shower remains possible. Low cloud building up during the early hours. Feeling fairly warm. Minimum temperature 13 deg C (55 deg F).

Sunday:
A cloudy start with scattered showers, locally heavy and thundery. Showers persist through the afternoon and into the evening, with warm sunny spells in-between. Showers becoming less frequent overnight. Maximum temperature 21 deg C (70 deg F).

Outlook for Monday to Wednesday:
Sunny spells with showers early Monday, before turning cloudy with outbreaks of heavy rain later. Windy with outbreaks of rain on Tuesday. Some sunny spells and blustery showers on Wednesday.
